SKOPE MAGAZINE BY MIKE SAULMAN • 4/5 STARS

“The title track [Shine]... is a tour de force for the songstress to reach high and low in her bag of tricks giving a vocal performance that’s destined to be a frequently spun single if heard by the right DJ...a delicious, milk chocolate icing on this pop layer cake.”

BIO

Claudia has been described as: “A true powerhouse vocalist, with an amazing knack for modern melody. She is versatile but stays true to her point of view and artistry.” and “An old soul... less bubblegum and more heart is what she brings to today’s music.”

Claudia’s country and folk-infused pop songs are fun, upbeat and catchy, but also resonate on a deeper level. Body-positivity, anti-bullying and believing in yourself are underlying messages in her songwriting.

Currently calling Edmonton, AB, Canada home, this singer/songwriter frequents Nashville & LA to record, write and perform. Her EP Shine has received airplay on over 100 college and non-commercial radio stations, and has charted on over 10 of those stations.
